

Certificate

Conformity of factory production control

pursuant to Regulation (EU) No. 305/2011: System 2+

No. of Certificate: **0035-CPR-C808**

Scope of application: According to Regulation (EU) No. 305/2011 of the European Parliament and of the Council of 9 March 2011 (Construction Products Regulation - CPR), this Certificate applies to the construction product stated below:

Welding consumable (filler metals and fluxes)
for fusion welding of metallic materials intended to be used in metal structures or metal/concrete composite structures:
**Covered electrodes acc. to
EN ISO 3581, EN ISO 2560, EN ISO 1071**

Name and address of the manufacturer: **Selectrode Industries, Inc.
100 Commerce Way
Aliquippa, PA 15001, USA**

Factory:
Manufacturing premises **100 Commerce Way
Aliquippa, PA 15001, USA**

Specified requirements: This document is to certify that all the regulations governing the assessment and verification of constancy of performance as detailed in Annex ZA of the harmonized standard

EN 13479:2017

are applied under System 2+ and that the factory production control meets all the requirements described therein.

Period of validity: This Certificate, first issued on **April 8, 2015** will be valid as long as the methods of testing and/or requirements for factory production control, for assessment of performance of stated characteristics which are referred to in the harmonized standard remain unchanged and as long as minor changes only will be made with regard to the product and manufacturing conditions on site. It will expire on **December 31, 2023** at the latest.
